Dear Scientists and Sector Representatives,

'7th International Conference on Human-Computer Interaction, Optimization and Robotic Applications' will be held on 23-24 May 2025 in Ankara, Türkiye.

The aim of the conference is to share scientific studies, applications, and experiences, to bring together scientists working in different fields, to provide scientific and social interaction, to improve cooperation between scientists, and to contribute to the formation of new perspectives and fields of study.

The file containing sponsorship information about the 'International Conference on Human-Computer Interaction, Optimization, and Robotic Applications' to be held on 23-24 May 2025 is presented for your information.

Thank you in advance for your contribution and support to our event. You can find detailed information about the organization on our website.

Sincerely,
ICHORA Organizing Committee
